

Farhan Ahmed

B.Sc. in Computer Science & Engineering (CSE)

BRAC University

Email: farhan.ahmed2@g.bracu.ac.bd | **Phone:** 01637099488 | **Student ID:** 23201654

Objective

Highly motivated CSE undergraduate with strong academic performance and hands on tutoring experience, seeking a Student Tutor position to support junior students through clear explanations, structured guidance and effective problem-solving strategies.

Academic Background

Bachelor of Science in Computer Science & Engineering (CSE)

BRAC University

Completed 7th Semester

Credits Completed: 81

CGPA: 3.82

Relevant Coursework

Programming 1, Programming 2, Data Structures, Algorithms, Discrete Mathematics, Circuits and Electronics, Electronic Devices and Circuits, Digital Logic Design

Tutoring Experience

- Provided regular tutoring to secondary and higher secondary students
- Explained mathematical and logical concepts in a simple, step by step manner
- Assisted classmates and juniors with lab tasks and exam preparation
- Improved students' academic performance through personalized guidance
- Helped peers understand algorithms and debugging techniques
- Developed strong communication, patience and mentoring skills

Technical Skills

- Programming Languages: Python
- Core Concepts: Data Structures, Algorithms, OOP, Graph Theory
- Problem Solving: Strong analytical and logical reasoning skills
- Tools: online judges (Codeforces and leetcode practice), debugging tools

Leadership & Extracurricular Activities

Robotics Club of BRAC University (ROBU) — *Junior Executive of Strategic Planning*

February 2024 – Present

BRAC University Cultural Club (BUCUC) — *Assistant secretary Body*

February 2024 – Present

Soft Skills

Communication, Patience, Time Management, Teamwork, Responsibility

Other Skills

- Python
 - C
 - Git
 - HTML
 - Java
 - Github
 - CSS
 - MySQL
 - Problem Solving
 - Data Structures
 - Algorithms
 - PHP
 - OOP
